SURFCASTING THE BAY SINCE 1955

CELEBRATING 60 YEARS IN THE BAY
PANIA SURFCASTING CLUB PROUDLY PRESENTS
2015 KAHAWAI SURFCASTING CONTEST

To whom it may concern

Every year in summer we hold a surfcasting competition along the Marine Parade beach area. We promote this as a family event and in previous years the contest has attracted up to 800 rods on the day.

In 2015 we will be celebrating 60 years as a local Hawkes Bay Club and will be holding this event on Sunday 1st February 2015. To help celebrate this milestone we want the event to be BIGGER & BETTER than ever before!

We rely heavily on sponsors for prizes to make the day a success for the club and participants as well. We are looking for *ongoing* and *new sponsors* for next years contest. Prizes can take the form of cash, vouchers, goods or even discounts on lines of products.

In return for sponsorship your name is printed on the tickets and posters (up until the deadline for printing) and on the sponsor board at the headquarters on the day. Sponsors are also mentioned when prizes are presented to winners. We are also happy to display any banners, signs and flags that you may have for advertising purposes and encourage sponsors to come down and check things out on the day.

We would be grateful for any sponsorship you could offer for this successful and enjoyable event.

Thank you for your support.
